

**September 3, 2013**

**Dear Patients:**

**We would like to inform you of a change in our practice. After reflection, we have determined it is in the best interest of our patients to be cared for by the in-house doctors, who are available 24 hours per day in the hospital.**

**Effective immediately, we will no longer be rounding on newborn babies born at South Shore Hospital.**

**We are sincerely sorry for any inconvenience this change may have.**
